KVRI Forestry Sub-committee Meeting

December 4, 2012 – 1:30 p.m.
Kootenai Tribe Meeting Room

As we discussed at the meeting on Tuesday, the next few months will be very busy with meetings to prepare for our CFLRA 2013/14 Targets – by providing recommendations to the KVRI Board in order to move projects forward in a timely manner.

I've listed the dates below so you can get them on your calendars & hopefully attend all or most.

This meeting will focus on developing the Buckhorn CFLRA Project.

Next Meetings:

January 15th – Kriest

February 12th – Hell Roaring
