

CITY OF BONNERS FERRY

Kootenai Valley Resource Initiative

KVRI Forestry Sub-committee Meeting

Feb. 18, 2016 – 10 a.m. to Noon
Kootenai Tribal Office

This meeting will focus on the changes in road segments & the disposition of them. The forest Service will also be able to talk about the changes to the proposed treatment units.

Comparing the Draft EA to the Scoping documents there appears to be a difference in the roads of approximately:

3.58 miles for decommissioning

15.88 of Unauthorized/Remove from System

Several folks have voiced the need to have a better understanding, so Forest Service staff has agreed to meet to review the changes.
