MEETING NOTICE KVRI Board

**NOTE: SPECIAL JOINT BOARD/FORESTRY COMMITTEE
MEETING**

Thursday, June 4, 2015 – 5:30 - 6:30 p.m.
Boundary County Extension Office

At our Board meeting on May 18th Kevin Knauth, District Ranger, was asked to get more information on the Deer Creek Project Alternatives – and we had hoped to address it at our regular June Board meeting --- with the understanding it wouldn't affect project timelines. As it turns out, waiting would create problems – so it seems prudent to schedule a short joint meeting with the Forestry Committee & Board to get an update & then agree on a recommendation sooner rather than later. Please try to attend, as this is an important discussion to have focusing on the Placer Road (2540) Alternative; please contact me if you have any questions 208-267-3519.

Thanks, Patty
