

CITY OF BONNERS FERRY

Kootenai Valley Resource Initiative

SPECIAL MEETING NOTICE

Sept. 20, 2012 – 7:00 p.m.
Boundary County Ext. Office

KVRI Board and Forestry Committee will host a presentation on **Defining & Understanding Mixed Severity Fire Regime Forests** – by Dr. Russ Graham, Research Forester, Rocky Mountain Research Station and Dr. Penny Morgan, Professor of Natural Resources, University of Idaho.

We hope you will make special efforts to attend and take advantage of this opportunity to learn....as the information is applicable to the forest lands that surround our community and can be a tool for decision-making.

If you have any questions, please give me a call.

Thanks, Patty
