

**Summary Report of Animals Killed in Boundary County, Idaho
 On Highways 1, 2 and 95**

NOTES

- County road data not included
- Data for this survey was provided by the following sources:
 1. Idaho Fish & Game database for 2016-Apr 2018
 2. Idaho Department of Transportation database for 2011-2015 and 2017-Apr 2018, 2016 data taken from IDT submittals to IDFG
 3. US Customs & Border Patrol submittals 2015-Apr 2018, Ron Van Gundy & Jeff Dvorak
 4. KTOI Norm Merz submittals 2016-2018

Excel Data File

- Supplied data was analyzed for duplicates by comparing all entries by day (and week; IDFG-IDT bulk uploads), milepost and highway
- Database cells Milepost/Hwy in yellow (IDFG data) was found by comparing coordinate data with IDT milepost map
- Database cells Quantity in yellow are entries that were recorded as more than one animal (separated into individual animals)

Wildlife Auto Collision Committee (WAC) 6/27/11 to 5/1/18
 Reports from BP, ITD, IDFG, Merz
