Kootenai Valley Resource Initiative **Combined Meeting** KVRI Board/Forestry Committee

December 12, 2017 – 9 a.m.
Kootenai Tribal Office

I apologize for scheduling a December meeting for the Board & for such short notice to everyone. Due to changes in the Forest Service schedule presented at our November meeting, the only way to have the Board see the Scoping Document before public release was to hold another meeting & combine it with the Forestry Committee. I hope we will be able to have a quorum of the Board...we will make a conference phone available for the convenience of calling in & will make sure the documents to be discussed are emailed ahead of the meeting to those choosing to join by phone.

Agenda will include:

Scoping prep on Camp Robinhood Project (formerly Camp Dawson, Robinhood)

The Forest Service has additional information on Recreational and Transportation components (Roads) of the project.....the Forest Service will release the Scoping document for public review on December 15th.

Any questions, give me a call 208-267-3519, ext. 551....or send an email patty@kootenai.org. Thanks very much. Patty
