

CITY OF BONNERS FERRY

Kootenai Valley Resource Initiative

Wildlife-Auto Collision (WAC) Sub-committee Meeting

October 10, 2017 – 1:30 pm

Kootenai Tribal Office

Opportunity to consider what we've learned, who owns the system now & going forward, do we continue operation-is there value in it, what role might ITD have.....if we continue, who takes on the responsibility. Lots to talk about. Please give me a call or send an email if you have questions....208-267-3519, ext. 551; patty@kootenai.org.

Thanks, Patty
